

A quick guide to Getting a Place to Live

Paradigm Conference

23rd June 2011

Alicia Wood

HOUSING
OPTIONS

advice and support to access housing

a full range of housing choices available

equal access to housing

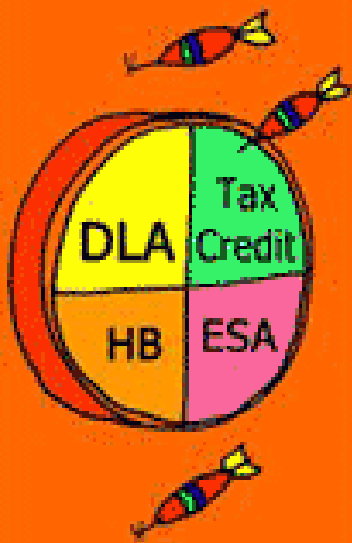

support to live at home and have an ordinary life

know how to get housing and support

information about housing and support options

Jenny lives in An Ideal World

The PM's working on his new 'Fair Cuts' strategy!

Crippen

Renting from a private landlord

- Check what your local housing allowance (LHA) is
- Ask your housing department to recommend private landlords
 - Ask Golden Lane Housing to help

Renting from the council or a housing association

Get the highest priority possible

Ask Shelter or Housing Options for advice about homelessness

❑ Buying your own home

More difficult now but possible if you can get a mortgage for 3.63%

Ask your housing department if there is a local HOLD scheme or shared ownership properties for sale

Ask MySafeHome for help with a mortgage

☐ Family funded options

Ask Housing Options or Golden Lane Housing for help

☐ Shared Lives

Ask your social worker or NAAPS

□ Shared supported housing

Usually through your social worker or Supporting People team

❑ extracare/ scheme with individual flats

Through social services or housing
department

www.housingcare.org for older people

□ Residential Care Home

Through social services

Know your rights

Get involved in local planning
