This course will enable those who have thought a lot about Person Centred Planning to really use it and start seeing change happen. It's for people who have possibly trained a few staff in the tools of Person Centred Planning but have not seen any widespread change, this course will provide tools and knowledge to really start making a difference with lots of people you support in some small, but important ways.

FEATURES

- This event is fantastic value for money as it can cater for up to 50 participants.
- Bringing a number of people together from an organisation is not only cost effective but also really encourages people to get started and make things happen.
- This workshop gives participants the opportunity to learn together with others and make commitments and plans as teams. Participants will receive a starter toolkit of materials needed.

LEARNING OUTCOMES

- An understanding of the origins of Person Centred Planning.
- An awareness of some basic graphic facilitation skills.
- Knowledge of some real, practical advice about small ways to make an impact for people immediately.

WHO IS THE COURSE FOR?

Personal assistants, support workers, team leaders, people who receive support, family members, care managers.
