About you	
Your name	
Your role and place of work	
Your phone number	
Your email address	
A little about you	
Can you tell us what made you want to apply to train as a facilitator?	
We are looking for people with intrinsic skills, you don't need to have lots of experience in similar work but can you please tell us about a piece of work where you have had to demonstrated some of the skills in the person spec.	
What are the skills, strengths you will bring to the role?	

Looking at the Person Specification, what are the skills you will want/need to develop

Please note: *You participation in this project will require you to be available for the 2 day training course plus the facilitation and write up of Life Designs with individuals. We have yet to agree the numbers of people you will facilitate Life Plans for and we don't envisage this being more than 2 or 3 people a year.*

Please can you discuss this with your manager before submitting your application? You will see below that ask that your manager counter sign your application.
