

## SUPPORTING YOU TO EMBED THE REACH STANDARDS IN YOUR ORGANISATION

**The Reach Learning Community** will provide a space and structure for Reach Network members to come together and explore how to embed The Reach Standards to ensure quality support for living (supported living).

The community will be both practical and aspirational. It will bring together and connect people and organisations to share successes, challenges and create solutions together.

The focus of the work will be determined by the group participants and skillfully facilitated via Zoom by Sally Warren and guests. **In the first session we'll share info about the Supported Living Improvement Coalition launched by CQC.**

Through this peer support and mentoring, you will feel better equipped, connected and energised. Together we really are stronger!

This is a **FREE**  
NEW OFFER EXCLUSIVELY  
for Reach Network members.

**Participants:** The Reach Learning Community is for colleagues familiar with Reach and with a role in embedding Reach within the organisation or teams.

**Date:** Tuesday April 5th 2022

**Time:** 10am - 12pm

**Zoom:** The Link will be sent following booking.

**To book or to find out  
how to join the  
Reach Network:**
